Keep | Toss | Sell

It's okay to **KEEP** the items that you just aren't ready to part with yet. **TOSS** the items that are too well-loved (stains, missing pieces, or are not working).

SELL the items that meet these 4 C's:

CLEAN

The newer it looks, the better it sells. Check carefully for stains and holes in clothing. Clean all clothing and non-clothing items thoroughly.

CURRENT

Sell warm weather clothing and shoes at our Spring/Summer sale. Sell cold weather items at our Fall/Winter sale. Shoppers love current styles that are in fashion.

COMPLETE

Be sure all parts & pieces are present before you tag items. Shoppers want to open their items when they get home and find everything in working order.

COMPLIANT

Important Safety Guidelines apply to car seats, cribs, infant equipment & toys. All of the Recalls & Safety Standards are listed at **jbfsale.com** for you to check each of your items before you sell.

Safety Waivers Required for all Car Seats

STEP #4 *Prep*

CLOTHING

Hanging & Tagging Clothing

Put most clothing on a hanger. Bundle socks, infant mittens & hats, as well as accessories in clear self-sealing bags. Attach JBF tag with tape.

Hanger Direction

Be sure the hanger hook opens to the left, like a question mark. Attach JBF tag to front of item.

Creating Outfits

It's okay to bundle items into sets if they are the same size.

Secure pieces to hanger using safety pins or zip-tie hangers tightly together so outfit remains together as a set.

Tagging Gun

If you use a tagging gun to attach JBF tags, only puncture the garment tag or an inside seam so that you do not damage the fabric. If using safety pins you can still pin to the existing center tag or on the right side while facing the garment.

STEP #4 *Prep*

Bundling in Bags

Multiple similar items like bottles, infant toys, or other small items can be bundled in a ziplock bag and taped shut. Tape the JBF tag outside of the bag and use descriptions so the shopper knows what is inside.

Puzzles and Books

Puzzles can be wrapped in saran wrap or put in ziplock bags to keep secure. Use painter's tape to tape tags directly on either books, puzzles or games so you do not damage them. Packaging tape will damage these items. Books can be sold separately or bundled into sets in a bag or with a ribbon.

Toys

Attach a tag to the toy using tape or zip ties. If there are small parts, bag those and tape or zip tie the bag to the larger toy.

Large Items and Baby Equipment

These items will get a yellow tag at drop off.

Either attach the tag loosely or bring the tag in an envelope to give to the helper team at drop off.

Hanging Multiple Items on a Hanger

Multiple items—that are all the same size—can be hung on a single hanger. Use a safety pin to attach pants/skirts to hangers. We recommend no more than three items on the same hanger.

STEP #5
